**Dear Submitter,**

**Unisys (now Molina Medicaid Solutions) is pleased to announce an enhancement to the process for the handling of the HIPAA Claims Rejected Report.**

**Since February 2009, the HIPAA Claims Rejected Report rejection notices from Unisys (now Molina Medicaid Solutions) have been emailed to you with hard copy versions of the reports being mailed to you via USPS mail to the address retained on our Submitter Master File.**

**As of June 22, 2009, the HIPAA Claims Rejected Reports will be available on the NJMMIS website (www.njmmis.com) via the HIPAA Claims link on the "download" page. For a period of time, Unisys (now Molina Medicaid Solutions) will continue to mail copies of the Reject Reports via the USPS but we will no longer send the HIPAA Claims Rejected Reports to you via email. If you use the Bulletin Board System (BBS), please note that the rejection reports will only be available via the NJMMIS website.**

**Enclosed are the screen prints illustrating where and how the files will be named and the location of the files on the NJMMIS website. Notification will be placed on the website when the reject notifications will no longer be sent via e-mail.**

**We would also like to take this opportunity to remind all submitters that it is your responsibility to notify the EDI Unit in writing of any name, tax id, address, phone number, contact information and e-mail address changes. If we receive undeliverable mail, undeliverable e-mail or an invalid phone number, Unisys (now Molina Medicaid Solutions) reserves the right to deactivate the submitter number until the incorrect or outdated information has been updated. Please take a few minutes and complete this form if you have made any changes in the last year. Unisys (now Molina Medicaid Solutions) will not accept any verbal communication for changes to your submitter profile, they must be in writing: US Mail, FAX or E-mail will be accepted.**

**If you have any questions regarding this notification, please contact the Molina Medicaid Solutions EDI Unit at 609-588-6051.**
