

Enable Compatibility View for all websites in Internet Explorer

1. Start Internet Explorer 8 or Internet Explorer 9.
2. On the **Tools** menu, click **Compatibility View Settings**.
If the **Tools** menu is not displayed, press **ALT** and the letter **T** to display the **Tools** menu.

If **Compatibility View Settings** is not available, the network administrator may have used a Group Policy setting to configure the options for you. Contact your administrator or the help desk.

3. Add njmmis.com to the list

4. Close the Window and restart Internet Explorer.
