**BACKGROUND:** This Newsletter is intended to notify providers of pharmaceutical services of changes to the current listing of MAC drugs as described in APPENDIX B (Rev. 12/7/2000) of Newsletter Volume 11, No. 1, dated January 2001. The revised list, dated 11/20/2001, published by the Centers for Medicaid and Medicare Services (CMS), formerly the Health Care Financing Administration (HCFA), is attached. **This information is also available on the CMS Internet website at [www.hcfa.gov/medicaid/drug10.htm](http://www.hcfa.gov/medicaid/drug10.htm).** This listing is based on data current as of April 2001 from the First Data Bank (Blue Book, Medi-Span, and the Red Book).

Commonly known brand names have been provided by the Division of Medical Assistance and Health Services (DMAHS) and the Department of Health and Senior Services (DHSS) for reference purposes only. Other brands of the same products which are not listed are also subject to the MAC limitation. Please note that changes from the MAC list of December 7, 2000 are highlighted in **bold**.
