# Newsletter

Volume 19 No. 16

May 2009

**TO:** Providers of Pharmaceutical Services – **For Action**  
Health Maintenance Organizations – **For Information Only**

**SUBJECT:** **Revised Federal Upper Limits of Payment for Maximum Allowable Cost (MAC) Drugs (APPENDIX B)**

**EFFECTIVE:** Claims with Service Dates on or after March 31, 2009

**PURPOSE:** This Newsletter is intended to notify providers of pharmaceutical services of changes to the current listing of MAC drugs as described in APPENDIX B. A revised list (Rev. 3/31/2009), published by the Center for Medicare and Medicaid Services (CMS), is attached for your information.

On March 31, 2009, CMS published an update to the Federal Upper Limit list for multiple source drugs in the Medicaid program. These updates can be found on the CMS web site at [http://www.cms.hhs.gov/Reimbursement/05\\_FederalUpperLimits.asp](http://www.cms.hhs.gov/Reimbursement/05_FederalUpperLimits.asp) under "Changes Made to Transmittal No. 37."

The listing is based on data from the First Data Bank (Blue Book, Medi-Span, and the Red-Book).

Commonly known brand names have been provided by the Division of Medical Assistance and Health Services (DMAHS) and Department of Health and Senior Services (DHSS) for reference purposes only. Other brands of the same products which are not listed are also subject to the MAC limitation.

**Note:**

The attached Federal Upper Limits of Payment for Maximum Allowable Cost (MAC) drugs are applicable to Medicaid FFS beneficiaries, NJ FamilyCare FFS beneficiaries, the General Assistance (GA) program, the AIDS Drug Distribution Program (ADDP), the Cystic Fibrosis (CF) program, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount (SGPD) program. Products listed in APPENDIX B may not be covered by the Medicaid and/or the DHSS programs or may require prior authorization in accordance with existing DMAHS and DHSS policies.

**Manual Maintenance:**

To properly maintain your Manual:

**\*HMOs:** Please discard the old listing of MAC drugs and insert this new MAC Drug List (Rev 3/31/2009), as APPENDIX B, in the Pharmaceutical Services Manual.

**\*Providers of Pharmaceutical Services:** Please discard the old listing of MAC drugs and insert this new MAC Drug List (Rev 3/31/2009), as APPENDIX B, in the Pharmaceutical Services Manual.
