The Submission Cut-off Date is the date by which claims must be received by the Fiscal Agent (Gainwell Technologies) to **guarantee** daily processing for possible adjudication in the upcoming monthly cycle. Claims submitted after the Submission Cut-off Date through the Adjudication Cycle Date will most likely process, but are **not guaranteed** to process for the upcoming monthly adjudication cycle.

The Adjudication Cycle Date is the date on which claims that are accepted into the system during daily processing are adjudicated (priced or denied). *Adjudication Cycle Date is one day earlier than usual due to State Holiday.

The Remittance Advice Date is the date indicated on the Remittance Advice (RA) and the Payment Date of all claims on the RA. The RA reflects the status of all adjudicated claims for a monthly adjudication cycle.

- New Jersey format paper RAs are available to Providers via the NJMMIS web site by Wednesday of the RA Date week. They may contain messages to inform providers of policy changes, claims processing changes, or a specific claims' processing that has taken place.
