NEWSLETTER

Volume 21 No. 13

June 2011

- TO:** ALL Providers – For Action
Health Maintenance Organizations - For Information Only
- SUBJECT:** Mandatory Enrollment of Medicaid Clients into Managed Care
- EFFECTIVE:** July 1, 2011
- PURPOSE:** To notify providers and HMOs that many of the services previously delivered by Medicaid-fee-for-service will be provided by the State's participating managed care health plans
- BACKGROUND:** The Department of Human Services' proposed fiscal year 2012 budget initiatives include moving some client populations and certain covered services from Medicaid fee-for-service into the existing Medicaid managed care system.
- ACTION:** Beginning July 1, 2011, most Medicaid recipients and those previously exempted or excluded from Medicaid managed care will be assigned to a managed Medicaid health plan. Beginning in the fall, those clients who are dually eligible for Medicare and Medicaid as well as those enrolled in waiver programs shall be assigned to a Medicaid managed health plan. Those individuals that will continue to be excluded from managed care assignments are:
- Individuals receiving General Assistance
 - Individuals in Medically Needy
 - Individuals in ICF/IDs
 - Individuals in inpatient psychiatric hospitals
 - Individuals in the PACE program
 - Individuals in nursing facilities-long term
 - Individuals in out of state placements
 - Individuals with cystic fibrosis
 - Fee-for-service newborns
 - Presumptively eligible pregnant women, and
 - Presumptive eligible children.

Please let your Medicaid patients know the Medicaid managed care health plans in which you participate.

Please call the appropriate managed care provider services telephone number listed below for information regarding provider applications. Your patients may call you or the member services number to find out if a provider participates in their network.

In addition to changes in enrollment, there are several changes in service provision. Medicaid HMO plans, in addition to those services currently provided, will now provide home health agency services, pharmacy services, personal care assistant services (except for services in the Personal Preference Program), physical therapy, occupational therapy, speech therapy and adult and pediatric medical day care services. Medicaid HMO plans will no longer provide non-emergent medical transportation. This service shall be provided by the State's transportation broker, LogistiCare Solutions. Medicaid HMO plans shall retain responsibility for emergency transportation.

Also note, Medicaid will no longer cover co-payments for Medicare Part D pharmacy services.
