TO: Fee-for-Service Providers of Pharmaceutical Services

SUBJECT: Form FD-70, Pharmacy Provider Certification Statement (Rev. 12/19/11)

BACKGROUND: The New Jersey Division of Medical Assistance and Health Services (DMAHS) and Division of Aging Services' (DoAS) fee-for-service (FFS) pharmacy providers, including those participating in NJ FamilyCare/Medicaid, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, the Senior Gold Prescription Discount Program (Senior Gold), the AIDS Drug Distribution Program (ADDP) and the Cystic Fibrosis (CF) program must submit information annually to DMAHS in order to obtain optional dispensing fee increments in addition to the basic pharmacy dispensing fee. **To qualify for these optional increments, information regarding an impact allowance and the availability of access to twenty-four (24)-hour emergency pharmacy services is required.** (See Form FD-70, Sections 1 and 2, respectively). This information is used to determine appropriate dispensing fees for FFS pharmacy claims submitted to the State for payment consideration, as described in N.J.A.C. 10:51-1.7 and 8:83C-1.

The prescription volume that counts towards the determination of an impact allowance is only limited to fee-for-service (FFS) pharmacy claims and only those claims where a State pharmacy benefit program is the primary payer. Any pharmacy claims where the primary payer is other insurance or Medicare Part D are not to be included in the claim count used to determine a pharmacy's eligibility for the impact allowance.

Only those pharmacies that provide 24-hour emergency access to pharmacy services at the location where an emergency prescription is dispensed are eligible to receive the 24-hour emergency pharmacy increment.

ACTION: Pharmacy providers must complete and return the Pharmacy Provider Certification Statement and attach a copy of its valid pharmacy permit by **no later than January 15, 2013.** Please forward the documents to:

**Molina Medicaid Solutions
P. O. Box 4804
Trenton, NJ 08650-4804
Attn: Form FD-70**

ALL QUESTIONS ON FORM FD-70 MUST BE COMPLETED. INCOMPLETE FORMS WILL BE RETURNED TO THE PHARMACY PROVIDER FOR COMPLETION.

NOTE: If any pharmacy provider fails to complete and return the Pharmacy Provider Certification Statement by January 15, 2013, **the State will automatically assign the basic dispensing fee, without the optional increments, to that pharmacy. No changes to the**

assigned basic dispensing fee will become effective until a properly completed Pharmacy Provider Certification Statement, including a copy of the pharmacy's valid pharmacy permit, is received by Molina Medicaid Solutions (formerly Unisys).

If pharmacy providers have any questions regarding this Newsletter, they may contact the Molina Medicaid Solutions (formerly Unisys) Provider Enrollment Unit at 609-588-6036.
