NEWSLETTER

Volume 26, No. 09

August 2016

**THIS NEWSLETTER ANNOUNCES NEW ICD-10 BILLING INFORMATION
PLEASE DISREGARD NEWSLETTERS VOLUME 13, NO. 25; AND VOLUME 13, NO. 41 FOR CLAIMS WITH
SERVICE DATES ON OR AFTER OCTOBER 1, 2015**

TO: Medical Suppliers, Podiatrists, Prosthetic and Orthotic Providers – **For Action**
Health Maintenance Organizations – **For Information Only**

SUBJECT: **ICD-10 Update: Changes in Billing Procedures for Orthotics and Shoes**

EFFECTIVE: Immediately

PURPOSE: This Newsletter updates (1) the information presented in the Medicaid Newsletters Volume 13, No. 25 and No. 41 with ICD-10-CM diagnosis code information; and (2) the prior authorization guidelines currently used by the New Jersey Division of Medical Assistance and Health Services (DMAHS) to determine medical necessity for orthotics, shoes and foot supports.

BACKGROUND: Current DMAHS policy requires medical suppliers and podiatrists participating in the NJ FamilyCare (NJFC) Fee-For-Service (FFS) Program to request prior authorization for orthotics, shoes and foot supports. As part of the prior authorization process, decisions concerning medical necessity include careful consideration of the utilization of orthotics, shoes and/or foot supports by a beneficiary. Coverage guidelines not requiring prior authorization include: (1) no more than four (4) orthotics or castings per year; (2) no more than two (2) pairs of shoes per year; and (3) no more than one (1) pair of foot supports per year.

In addition to updating the prior Newsletter with ICD-10-CM information, updates to properly reflect current billing procedures for orthotics, shoes and foot supports have also been included in this Newsletter.

ACTION: **Effective immediately,** the following changes in billing procedures shall apply to claims for orthotics, shoes or foot supports:

1. HCPCS procedure codes L3000, L3001, L3002, L3003, L3010, L3020, L3030, L3040, L3050, L3060, L3070, L3080, L3090, L3215 through L3223, L3201 through L3207 do not require prior authorization for claims **with service dates prior to October 1, 2015** reporting the following ICD-9-CM diagnosis codes:

343.0 to 343.9; 707.0 to 707.9; 711.0 to 712.9; 714.0, 715.0 to 722.9; 724.0 to 728.9; 730.0 to 737.9; 754.2 to 754.79; 755.0 to 755.39; 755.6 to 755.69; 756.1 to 756.19; 756.8 to 756.89; or 892.0 to 897.7.

- These same HCPCS procedure codes do not require prior authorization for claims reporting an ICD-10-CM diagnosis code **found on the attachment to this Newsletter for service dates on or after October 1, 2015.**
 - Claims submitted for these procedures with an appropriate ICD-9-CM or ICD-10-CM diagnosis code, as determined by the service date, but not found above or on the attachment require prior authorization and shall be denied payment by Error Code 0251, 'Deny for Diagnosis.'
 - All claims for orthotics, shoes or foot supports may be subject to post-payment review to ensure that diagnosis codes that bypass the need for prior authorization are properly reported. Medical record documentation may be requested by DMAHS to validate the diagnosis code reported on orthotic and/or shoe claims. **Payments for claims reporting an invalid diagnosis code for the purpose of bypassing prior authorization shall be recovered and further audit actions may be taken by the State of New Jersey.**
2. Coverage guidelines currently used by DMAHS to determine medical necessity for orthotics, shoes and foot supports shall apply as part of the claims adjudication process. When service requests exceed these guidelines, Error Code 734, 'Exceeds Program Frequency Guidelines' shall post to the claim denying payment.
- For procedure codes L3201 through L3207; L3215 through L3217; L3219, L3221 and L3222, up to two (2) units may be provided by the same provider to the same beneficiary during a twelve (12) month period; or two (2) pairs of shoes per year.
 - For procedure codes L3218, L3223, L3250, L3251, L3252, L3253, up to four (4) units may be provided by the same provider to the same beneficiary during a twelve (12) month period; or four single shoes per year; four (4) single shoes per year.
 - For procedure codes L3001, L3030, L3040, L3050, L3060, L3070, L3080 and L3090, up to two (2) units may be billed by the same provider to the same beneficiary during a twelve (12) month period; or one (1) pair of foot supports per year.
 - For procedure codes X4890 through X4892, up to four (4) units may be provided by the same provider to the same beneficiary during a twelve (12) month period; or four (4) castings per year.
 - Exceptions to these authorization guidelines may be approved by DMAHS based on a medical record review and special circumstances. Orthotics, shoes and foot supports that exceed these frequency guidelines may be considered for NJFC-FFS coverage. Requests for exception coverage must be submitted to DMAHS using the appropriate Prior Authorization Request Form.

If you have any questions concerning this Newsletter, please contact Molina Medicaid Solutions Provider Services at 800-776-6334.
