

MEDICAID PROVIDER TRAINING

**Lessons for Avoiding Medicaid Fraud, Waste and Abuse:
A presentation for New Jersey Durable Medical Equipment Providers**

**Tuesday, June 24, 2025 from 10am-11:30am
Virtual via Zoom Webinar**

Program Description:

The following state agencies--the Medicaid Fraud Division (MFD) of the Office of the State Comptroller, the Division of Medical Assistance and Health Services (DMAHS) within the Department of Human Services, and the Medicaid Fraud Control Unit (MFCU) in the Attorney General's Office -- work together with New Jersey's Managed Care Organizations (MCOs) to prevent, identify and recover overpayments caused by fraud, waste, and abuse in the Medicaid program (often referred to as NJ FamilyCare). This session is designed to provide stakeholders, specifically Durable Medical Equipment providers, a better understanding of best practices to prevent and detect fraud, waste, and abuse in the New Jersey Medicaid program.

Goals of This Presentation – To Help Attendees Understand:

- The Medicaid program regulatory oversight structure and compliance requirements
- Medicaid documentation requirements for payment
- Fraud, waste, and abuse obligations of providers (prevention and reporting)
- Red flag areas and the consequences for non-compliance by providers

Speakers:

Representatives from the State government agencies listed above, and representatives from New Jersey's Medicaid Managed Care Organizations.

Registration:

Registration is required. Click [here](#) to register.
