October 2022

**\*\*This Medicaid Alert Updates Alert MA-2021-03 Dated December 2021\*\***

**TO:** All Providers, Managed Care Organizations – **For Action**

**SUBJECT:** **Healthcare Common Procedure Coding System (HCPCS) Code Changes**

**EFFECTIVE:** Claims with service dates on or after January 1, 2022 and January 1, 2023, as indicated below.

**PURPOSE:** To notify providers of the replacement codes for Initial/Annual and Follow-up Teen Directed Family Planning service codes.

**BACKGROUND:** Providers were previously instructed to use HCPCS code 99201 FP22 for an “Initial/Annual Teen Directed Family Planning Visit” and HCPCS codes 99393 FP52, 99394 FP52, or 99395 FP52 for a “Follow-up Teen Directed Family Planning Visit”.

**ACTION:** **Effective for claims with service dates on or after January 1, 2022,** HCPCS code 99201 FP22 is being replaced with HCPCS Code 99203 FP22. HCPCS code 99203 FP22 is a combination of the “Initial/Annual Teen Directed Family Planning Visit” code (99201 FP22) and the “E/M Initial Family Planning Visit in Family Planning Clinic” code (99203 FP).

**Effective for claims with service dates on or after January 1, 2023,** HCPCS codes 99393 FP52, 99394 FP52, and 99395 FP52 are being replaced by HCPCS Code 99213 FP22. 99213 FP22 is a combination of the “Follow-up Teen Directed Family Planning Visit” code (99393 FP52, 99394 FP52, or 99395 FP52) and the “E/M Follow-up Visit in Family Planning Clinic” code (99213 FP).

99203 FP22 and 99213 FP22 reimbursements have approximate parity with the codes being replaced.

**Qualifiers:** Providers may only bill 99203 FP22 procedure code once every twelve (12) months for each Medicaid member under 21 years of age, regardless of gender. Providers must provide all required services to receive reimbursement. These shall include all those required of the “E/M Initial Family Planning Visit in Family Planning Clinic” and all of the additional requirements for the “Initial/Annual Teen Directed Family Planning Visit”.

Providers may only bill 99213 FP22 after the 30-day period following the “Initial/Annual Teen Directed Family Planning Visit”. Providers must provide all required services to receive reimbursement. These shall include all those required of the “E/M Follow-up Visit in Family Planning Clinic” and all of the additional requirements for the “Follow-up Teen Directed Family Planning Visit”.
