# MEDICAID ALERT

MA-99-3

June 1999

**TO:** Providers of Family Planning Services  
Health Maintenance Organizations

**SUBJECT:** **NOTICE TO DISREGARD MEDICAID ALERT 99-2**  
(Temporary billing procedures for family planning services).

**EFFECTIVE:** IMMEDIATELY

**PURPOSE:** To clarify billing procedures for family planning services.

**BACKGROUND:** In May 1999 the Division of Medical Assistance and Health Services issued Medicaid Alert 99-2 announcing temporary billing procedures for providers of family planning services who bill using the UB-92 form. This Alert was inadvertently distributed to providers who do not bill using this form. This has led to some confusion on the part of those providers.

**ACTION** Providers who do not bill for these services are instructed to ignore this alert and continue billing according to regular procedures.
